

FAUZI RIZKY UTAMA

WEB & WORDPRESS DEVELOPER

085157790615 | uzifrudigital@gmail.com | <https://www.linkedin.com/in/uzifru/> | <https://uzifru.gow.my.id/>
Bandung, Indonesia

I'm a web developer specializing in high-quality websites, from WordPress and Shopify to fully custom-coded solutions. I build scalable, user-friendly digital experiences aligned with business goals. I also developed my own business website, [gowedding.my.id](https://uzifru.gow.my.id/), gaining hands-on experience in digital branding, SEO, and user experience.

PROFESSIONAL EXPERIENCE

Bitsof.id, Web Developer - Jakarta **Jun 2023 - Aug 2025**

- Developed and maintained client websites using WordPress, Shopify, Next.js, and Apiato (PHP).
- Collaborated with designers, PMs, QA, and developers to deliver scalable web solutions.
- Improved website performance, user engagement, and client outcomes.

PT. Aneka Interniaga Gemilang, Wordpress Developer - Jakarta **Jan 2023 - May 2023**

- Developed & Managed multiple company websites including Grandsauna, Grandpool, Grandspa Contractor, Poolspamart, Maxer, and Waterco Central.
- Created and published content; performed SEO optimization using Google Analytics, Search Console, SEMrush, Ubersuggest, and MOZ.
- Assisted in scripting for video content.

PROJECTS

Grant Aviation, Bitsof.id Project - USA

- Built a custom WordPress website using Sage (Blade), TailwindCSS, and ACF.
- Integrated homepage booking form with an external system and implemented a dynamic, interactive route map to enhance user experience and booking efficiency.

Core Plus Aerospace, Bitsof.id Project - USA

- Developed a custom WordPress website with Sage (Blade), TailwindCSS, and ACF.
- Created a searchable interactive map for schools and districts, and a filterable resources page, enabling users to find resources efficiently and interactively.

EDUCATION
